

WEB SEMINAR REGISTRATION FORM

Seismic Design of Bridges

February 10, 2012; 9 am – 11 am Pacific Time

The web seminar fee allows an unlimited number of people from an organization to participate; however, a single registration only allows for one web connection. For additional web connections, additional registrations are required. There is a discount for additional connections.

Early registration discounted fee (for registration received by February 8): \$250 for the first web connection; \$185 for the second connection; \$125 for the third connection; and \$60 for each subsequent connection.

Regular Fee (for registration received after February 8): \$265 for the first web connection; \$195 for the second connection; \$130 for the third connection; and \$65 for each subsequent connection.

All attendees, irrespective of the number of registered sites, can earn 0.2 Continuing Education Units (CEUs) or 2.0 professional development hours (PDHs). CEU/PDH certificates are included in the registration.

We are now a registered provider for continuing education in the State of Florida (Provider # 4732), the State of New York (Provider # 99), and for the Structural Engineers Certification Board (SECB) of the National Council of Structural Engineers Associations (NCSEA).

Refunds are limited to 80 percent of fee and must be applied for in writing WITHIN THIRTY DAYS after the scheduled seminar.

Seminar registrants also have the opportunity to order any of our products with 15% discount and 5% S/H. Few of them are listed below; please visit our website for a complete list of products.
